ETHIOPIAN ENTERPRISE DEVELOPMENT

Ethiopia

The Federal Democratic Republic of Ethiopia, is a country in the Horn of Africa. It shares borders with Eritrea to the north, Djibouti to the northeast, Somalia to the east and northeast, Kenya to the south, South Sudan to the west, and Sudan to the northwest. Ethiopia has a total area of 1,100,000 square kilometres (420,000 square miles).

Ethiopia is the second most populous country in Africa and thus potentially one of the largest markets in the continent. By virtue of its membership to the Common Market for Eastern and Southern Africa (COMESA) embracing 21 countries with a population of about 500 million, Ethiopia enjoys competitive market access to these countries.

The country moreover qualifies for preferential access to European Union market under the EU's Everything-But-Arms (EBA) initiative. Furthermore, a broad range of manufactured goods from Ethiopia are entitled to preferential access under the Generalized System of Preference (GSP) in the USA, China, India, Turkiye most countries of the EU and other developed countries. No quota restrictions are placed on Ethiopian exports falling under the 4,800 products currently eligible for GSP treatment. Ethiopia's proximity to the Middle East and Asian markets also offers further potential market opportunities.

Major Export Items

Coffee, oil seeds, cereals, spices, grain, natural gum incense, fruits & vegetables, Cut-flowers, livestock and meat, cotton.
