FOUNDER PRESIDENT'S NOTE

Dear Member of Diplomatic Corps, Members, Partners, and Friends,

As we present the May–June 2026 edition of GTTC Insights, I am pleased to reflect on another productive chapter in GTTCI's journey of strengthening international partnerships and advancing global trade cooperation.

The past months have been marked by several significant engagements. A defining milestone was the Business Round Table Meeting with the Deputy President of South Africa, reaffirming the immense potential for deeper economic cooperation and showcasing GTTCI's growing role in facilitating high-level government-to-business dialogue. We were equally honoured to strengthen our partnerships through engagements with the Ambassadors of Mongolia and Kyrgyzstan, discussions with BioCubaFarma, participation in the Vietnam–India Digital Economy & Cross-Border E-Commerce Forum, and celebrations of International Tea Day and International Day of Yoga. The success of the 3rd MSME Connect – Global Growth Forum 2026 further reinforced our commitment to creating meaningful opportunities for businesses through international collaboration.

Looking ahead, GTTCI is preparing for business delegations to Vietnam and Cambodia while closely supporting the expanding opportunities emerging from the reciprocal visits between Hon'ble Prime Minister Shri Narendra Modi and Shavkat Mirziyoyev. We are also actively advancing international collaborations across energy, mining, trade, and strategic industries that will contribute to stronger bilateral economic partnerships.

It also gives me great pleasure to announce the inauguration of the GTTCI Secretariat at Areness House, 5 Sardar Patel Marg, Diplomatic Enclave, New Delhi. Strategically located in the heart of New Delhi's diplomatic district, our new Secretariat offers dedicated facilities for hosting diplomatic delegations, business meetings, policy dialogues, and international conferences. Through our association with Areness, a full-service law firm, GTTCI is also establishing a dedicated International Business Desk to support foreign enterprises seeking to establish, invest, and collaborate in and with India.

With a strengthened team and renewed energy, GTTCI remains committed to promoting bilateral relations through credibility, professionalism, and meaningful outcomes. As we continue to expand our global footprint, the trust placed in us by our members, partners, and the diplomatic community inspires us to deliver with integrity, consistency, and excellence. Together, we will continue to serve as a trusted bridge between governments, businesses, and institutions, fostering stronger partnerships, advancing sustainable economic cooperation, and creating lasting value for all our stakeholders.

With warm regards,

Dr. Gaurav Gupta

India–Uruguay Relations Deepen Through Trade and Global Cooperation

Expanding Economic Partnership

India and Uruguay continue to strengthen their bilateral relationship through growing trade, sustained diplomatic engagement, and a shared commitment to economic development. Uruguay serves as an important partner for India in Latin America, while India remains a valued economic and strategic partner for Uruguay. Cooperation has expanded across agriculture, pharmaceuticals, information technology, renewable energy, healthcare, education, and innovation, creating new opportunities for businesses and institutions in both countries.

Strengthening Diplomatic Engagement

High-level visits and regular bilateral meetings have played a significant role in advancing India–Uruguay relations. Leaders and senior officials from both countries have engaged through official visits, diplomatic consultations, and interactions on the sidelines of major international forums. These engagements have reinforced political understanding, encouraged institutional cooperation, and promoted stronger business and cultural exchanges.

Shared Vision on Global Agendas

India and Uruguay continue to work closely on several international priorities, including sustainable development, climate action, food security, digital transformation, global health, and the promotion of an inclusive multilateral order. Both nations support dialogue-based solutions to global challenges and actively cooperate within international organisations to advance peace, stability, and sustainable economic growth.

A Partnership for the Future

The India–Uruguay partnership continues to evolve through deeper commercial ties, expanding people-to-people connections, and increasing collaboration across strategic sectors. With continued

diplomatic engagement, trade promotion initiatives, and participation in international dialogues, both countries are well positioned to build a stronger and more resilient partnership. As India enhances its outreach to Latin America and Uruguay strengthens its engagement with Asia, the bilateral relationship is expected to unlock new opportunities for investment, innovation, and long-term cooperation, reflecting the shared aspirations of both nations for inclusive growth and global prosperity.

India–Mongolia Partnership Advances Through Strategic Cooperation

Deepening Bilateral Ties Across Key Sectors

India and Mongolia continue to strengthen their bilateral relationship through growing trade, strategic cooperation, and sustained diplomatic engagement. Rooted in centuries-old cultural and spiritual connections, the partnership has evolved into a comprehensive collaboration spanning mining, infrastructure, renewable energy, information technology, healthcare, education, agriculture, and capacity building. Both countries remain committed to expanding economic opportunities and promoting mutually beneficial investment.

High-Level Visits and Diplomatic Engagement

Regular high-level visits and official meetings have reinforced the strong political understanding between India and Mongolia. Leaders and senior officials from both nations frequently engage through bilateral consultations and interactions at regional and international forums, reaffirming their commitment to strengthening strategic cooperation. These exchanges have encouraged closer collaboration in commerce, connectivity, development partnerships, and institutional cooperation while enhancing people-to-people ties.

Working Together on Global Priorities

India and Mongolia share common perspectives on several international agendas, including sustainable development, climate resilience, energy security, digital transformation, disaster

management, and global peace. Both countries actively cooperate within multilateral organisations and support a rules-based international order founded on dialogue, mutual respect, and inclusive development.

Their partnership reflects a shared commitment to addressing global challenges through cooperation and collective action.

A Forward-Looking Strategic Partnership

As India continues to strengthen its engagement with East Asia and Mongolia expands its international partnerships, bilateral relations are expected to gain further momentum. Continued diplomatic visits, trade promotion initiatives, and collaboration across emerging sectors are creating new opportunities for long-term growth. Guided by mutual trust, shared values, and a common vision for sustainable development, the India–Mongolia partnership is poised to contribute meaningfully to regional stability, economic progress, and global cooperation.

India–Mauritius Partnership: Strengthening a Trusted Strategic Friendship

A Relationship Rooted in Shared Values

India and Mauritius enjoy a longstanding partnership built on historical ties, cultural affinity, democratic values, and mutual trust. Over the years, the relationship has expanded into a comprehensive strategic partnership covering trade, investment, maritime cooperation, education, healthcare, digital innovation, and capacity building. Regular diplomatic engagement continues to reinforce the close friendship between the two countries while creating new opportunities for collaboration.

Growing Trade and Economic Cooperation

Trade and economic relations form a vital pillar of the India–Mauritius partnership. Mauritius serves as an important gateway for Indian businesses seeking opportunities across Africa, while India remains a key development partner supporting infrastructure, financial cooperation, technology transfer, and entrepreneurship. Both countries continue to encourage greater investment, facilitate business partnerships, and strengthen commercial engagement across diverse sectors, contributing to sustainable economic growth.

High-Level Visits and Diplomatic Engagement

Frequent high-level visits and bilateral meetings have strengthened political understanding and expanded cooperation in strategic areas. Leaders from both countries regularly interact through bilateral dialogues, regional forums, and multilateral platforms, reaffirming their commitment to closer collaboration. These engagements have advanced partnerships in maritime security, the blue economy, renewable energy, digital public infrastructure, healthcare, and skill development.

Cooperation on Global Agendas

India and Mauritius closely

coordinate on global and regional priorities, including sustainable development, climate resilience, maritime safety, and inclusive economic growth. Both nations actively support a rules-based international order and collaborate through international organisations to address shared global challenges while promoting peace and stability across the Indian Ocean region.

Looking Ahead

The India–Mauritius partnership continues to evolve through sustained diplomatic dialogue, expanding economic cooperation, and shared global aspirations. With a strong foundation of trust and common interests, both countries remain committed to deepening collaboration and advancing prosperity, regional connectivity, and long-term development.

India–Fiji Partnership: Building Bridges of Growth and Cooperation

A Friendship Built on Shared Heritage

India and Fiji share a warm and enduring relationship rooted in historical connections, cultural ties, democratic values, and people-to-people engagement. Over the years, the partnership has expanded beyond traditional cooperation to include trade, education, healthcare, agriculture, digital technology, capacity building, and development assistance. The close bond continues to be reinforced through regular diplomatic exchanges and mutual respect.

Expanding Trade and Economic Cooperation

Trade and economic collaboration remain important pillars of bilateral relations. India supports Fiji's development priorities through investments, technical cooperation, and capacity-building initiatives, while encouraging stronger business partnerships across sectors such as agriculture, renewable energy, information technology, healthcare, and infrastructure. Both countries continue to explore new avenues for commercial engagement, fostering sustainable economic growth and regional connectivity.

High-Level Visits and Diplomatic Engagement

Frequent high-level visits and meetings have strengthened political dialogue and broadened cooperation across

strategic sectors. Leaders from India and Fiji regularly engage through bilateral consultations, regional forums, and international conferences, reaffirming their commitment to deepening the partnership. These interactions have encouraged greater collaboration in climate action, disaster resilience, digital transformation, maritime cooperation, and human resource development.

Collaboration on Global Priorities

India and Fiji work closely on global and regional agendas, particularly on issues affecting developing countries and island nations. Both countries advocate sustainable development, climate

resilience, ocean conservation, food security, and inclusive economic growth. Their cooperation within multilateral institutions reflects a shared commitment to promoting peace, stability, and a rules-based international order while addressing common global challenges.

Looking Ahead

The India–Fiji partnership continues to evolve through expanding economic cooperation, sustained diplomatic engagement, and shared global aspirations. Guided by mutual trust and common interests, both nations remain committed to strengthening bilateral relations, enhancing regional cooperation, and building a resilient and prosperous future across the Indo-Pacific region.

India–Suriname Relations: Advancing Partnership Through Trade and Global Cooperation

A Growing Bond Built on Shared Values and Economic Opportunities

India and Suriname share a warm and enduring relationship rooted in historical connections, cultural affinity, and mutual respect. Over the years, both nations have strengthened their cooperation through diplomatic engagement, economic collaboration, and shared commitment to sustainable development. The partnership continues to evolve with a focus on expanding opportunities in trade, investment, technology, and people-to-people exchanges.

Expanding Trade and Economic Engagement

Trade relations between India and Suriname have witnessed steady growth, with both countries exploring new avenues for collaboration across diverse sectors. India's expertise in pharmaceuticals, agriculture, information technology, renewable energy, healthcare, and infrastructure aligns with Suriname's development priorities. Businesses and institutions from both nations continue to seek greater cooperation, encouraging investments, knowledge sharing, and sustainable economic progress.

Diplomatic Engagement and Global Cooperation

India and Suriname maintain

close coordination through bilateral meetings, diplomatic consultations, and international platforms. Both nations have expressed their commitment to addressing global challenges, including climate change, sustainable development, food security, energy transition, and inclusive growth. Their cooperation within multilateral forums reflects a shared vision of promoting peace, stability, and equitable development.

Strengthening Future Partnerships

High-level visits and official interactions have played an important role in

deepening bilateral ties and identifying new areas of collaboration. Cultural exchanges and the strong connection between communities continue to serve as a foundation for stronger relations. India's engagement with Suriname reflects its broader commitment to strengthening partnerships across the Caribbean and Latin American regions.

As India and Suriname continue to expand their cooperation, the relationship stands as a testament to the power of shared heritage, mutual trust, and collective aspirations. The future holds promising opportunities for enhanced trade, innovation, and collaboration, contributing to prosperity and development for both nations.

India–Ethiopia Partnership Expands Through Trade and Strategic Cooperation

Deepening Bilateral Engagement Across Trade and Global Priorities

India and Ethiopia share a longstanding partnership founded on mutual respect, development cooperation, and expanding economic engagement. As one of India's key partners in Africa, Ethiopia continues to play an important role in strengthening bilateral relations through trade, investment, capacity building, healthcare, education, agriculture, pharmaceuticals, information technology, and infrastructure development. Both countries remain committed to fostering sustainable economic growth while encouraging greater collaboration between businesses and institutions.

High-Level Engagements Reinforce Strategic Relations

Regular exchanges of high-level dignitaries have reinforced the strong diplomatic relationship between India and Ethiopia. Bilateral visits by political leaders, ministers, and senior officials have created opportunities to review existing cooperation and identify new avenues for collaboration. Meetings held on the sidelines of international forums have further strengthened dialogue on trade facilitation, investment promotion, food security, digital transformation, renewable energy, and skills development. These engagements continue to enhance people-to-people ties while supporting long-term strategic cooperation.

Shared Vision on Regional and Global Agendas

India and Ethiopia closely coordinate on several regional and global priorities

through platforms such as the United Nations, the African Union, and other multilateral forums. Both countries advocate for inclusive economic development, climate resilience, sustainable agriculture, peacebuilding, South-South cooperation, and reforms in global governance institutions. India's development partnership initiatives, including capacity-building

programmes and technical assistance, complement Ethiopia's development aspirations and contribute to strengthening institutional cooperation.

With expanding trade relations, consistent diplomatic engagement, and a shared commitment to addressing global challenges, India and Ethiopia continue to deepen their strategic partnership. The growing collaboration reflects the mutual determination of both nations to promote economic prosperity, regional stability, and sustainable development while creating new opportunities for businesses, institutions, and their people.

India–Myanmar Ties Flourish Through Trade and Diplomacy

Expanding Trade and Economic Collaboration

India and Myanmar continue to strengthen their multifaceted partnership through expanding trade, strategic connectivity, and sustained diplomatic engagement. As close neighbours linked by geography, history, and cultural ties, both countries have developed a relationship that supports economic growth and regional prosperity. Bilateral trade has expanded across agriculture, pharmaceuticals, energy, infrastructure, information technology, healthcare, manufacturing, and border commerce. Both governments continue to encourage investment, business partnerships, and improved connectivity to facilitate greater economic integration.

High-Level Engagement and Development Cooperation

High-level visits by national leaders, ministers, and senior officials have reinforced mutual trust and strengthened cooperation across diverse sectors. Regular bilateral meetings and institutional dialogues have focused on trade facilitation, border connectivity, infrastructure development, security cooperation, disaster management, healthcare, education, and capacity building. India has also extended development assistance and humanitarian support to Myanmar, further reinforcing

the close partnership between the two countries.

Cooperation on Regional and Global Agendas

India and Myanmar actively engage through the United Nations, ASEAN-led mechanisms, BIMSTEC, the Mekong-Ganga Cooperation framework, and other regional platforms. Both nations share common priorities on sustainable development, regional connectivity, maritime cooperation, climate resilience, food security, digital transformation, and inclusive economic growth. Their collaboration also complements India's Act

East Policy and contributes to peace, stability, and prosperity across the Indo-Pacific region.

A Forward-Looking Bilateral Partnership

With expanding trade, regular high-level exchanges, and cooperation on regional and global priorities, India and Myanmar continue to build a resilient and future-oriented partnership. Their enduring relationship reflects a shared commitment to strengthening economic ties, promoting sustainable development, and advancing mutual interests through continued dialogue and strategic cooperation.

MESSAGE

It gives me immense pleasure to learn that the *Global Trade & Technology Council (India) (GTTCI)* is organizing the *3rd MSME Connect - Global Growth Forum & MSME Excellence Awards 2026* on *29th June 2026* at the CSOI Club, Chanakyapuri, New Delhi, to commemorate *World MSME Day 2026*.

The Micro, Small, and Medium Enterprises (MSME) sector is the undisputed backbone of the Indian economy. It plays a pivotal role in fostering entrepreneurship, generating large-scale employment opportunities, driving innovation, and accelerating inclusive economic growth across the nation.

The *MSME Excellence Awards* are a wonderful initiative to recognize and honor the grit, innovation, and outstanding contributions of our entrepreneurs who drive the nation's economic momentum.

I extend my heartiest congratulations to the organizers, dynamic participants, and the distinguished award winners. I wish the *3rd MSME Connect - Global Growth Forum & MSME Excellence Awards 2026* a grand success.

(Jitan Ram Manjhi)

Global Trade & Technology Council of India (GTTCI)
New Delhi

Dear Mr Gupta,

Subject: Appreciation for Hosting the Roundtable Conference and Advancing India-South Africa Economic Cooperation

I would like to convey our sincere appreciation to GTTCI for the warm hospitality and excellent arrangements made for the CFO Roundtable Conference held on Saturday, the 30 of May 2026.

The Deputy President greatly appreciated the opportunity to engage with business leaders and industry stakeholders during the conference. The discussions provided valuable insights and highlighted the immense potential for strengthening economic cooperation between India and South Africa especially at the SMME level. Such engagements contribute significantly to enhancing bilateral relations and encouraging Indian companies to explore investment and partnership opportunities in South Africa.

The Deputy President was particularly pleased with the quality of the interactions and the spirit of collaboration demonstrated throughout the event. He looks forward to many more such productive engagements and partnerships with GTTCI in the future.

Please accept our sincere thanks once again for your gracious hospitality and for organizing a successful and meaningful event.

Yours sincerely,

Prof. Anil Sooklal
High Commissioner

*High Commissioner of Malaysia
New Delhi, India*

Dr. Gaurav Gupta
Founder President
Global Trade and Technology (India)
New Delhi

Dear Dr. Gupta,

LETTER OF APPRECIATION

Thank you for your thoughtful letter and for your generous words on the completion of my tenure as the High Commissioner of Malaysia to the Republic of India.

I am deeply grateful for your kind wishes and sincerely appreciate the friendship, support and excellent cooperation extended by you and the Global Trade & Technology Council (India) (GTTCI) throughout my tenure. GTTCI has been a valued partner of the High Commission of Malaysia and has played an important role in fostering engagement between the diplomatic community, government and business sectors in India.

It has been a pleasure working with you in advancing Malaysia-India relations, particularly in the areas of trade, investment and technology. I am confident that the strong cooperation between GTTCI and the High Commission will continue to grow in the years ahead.

Once again, thank you for your friendship and warm wishes. I wish you and GTTCI continued success in all your future endeavours.

Please accept, Dr. Gupta, the assurances of my highest consideration.

Yours sincerely,

Warm regards,

(MUZAFAR SHAH MUSTAFA)

GTTCI Hosts Ethiopian Coffee Evening & Farewell Get-Together in Honour of Deputy of Ethiopian Embassy

10th May 2026, Diplomatic Enclave, New Delhi

The Global Trade & Technology Council (India) hosted a distinguished Ethiopian Coffee Evening & Farewell Get-Together in honour of Amb. Ms. Bizunesh Meseret Tegegne, Deputy Head of Mission of the Embassy of the Federal Democratic Republic of Ethiopia, at the Diplomatic Enclave, New Delhi.

The gathering brought together ambassadors, diplomats, and friends from several countries, including representatives from Botswana, Cuba, Lesotho, Uzbekistan, Zimbabwe, Cameroon, Comoros, China, Nigeria, South Africa, Iran, and Jordan. The evening celebrated friendship, cultural exchange, and the spirit of international cooperation.

A major highlight of the event was the authentic Ethiopian coffee ceremony, which offered guests a glimpse into Ethiopia's rich coffee heritage and centuries-old traditions. The distinctive aroma, flavour, and

ceremonial presentation of the coffee were widely appreciated, creating a memorable cultural experience for all attendees.

Addressing the gathering, Dr. Gaurav Gupta, Founder President – GTTCI, remarked that diplomacy and trade are closely connected in building enduring international partnerships. He acknowledged the valuable contribution of Amb. Ms. Bizunesh Meseret Tegegne in strengthening India–Ethiopia relations and expressed hope for deeper economic, cultural, and strategic cooperation among friendly nations.

Diplomats present also conveyed their appreciation for her dedicated

service and contributions during her tenure in India. The evening concluded with warm interactions, cultural camaraderie, and best wishes for her future endeavours.

GTTCI Signs MoU with Embassy of Mongolia; Hosts Farewell for Ambassador H.E. Mr. Ganbold Dambajav

11th May 2026, Radisson Blu Marina Hotel, New Delhi

Speaking on the occasion, Dr. Gaurav Gupta, Founder President – GTTCI, stated, “This MoU marks an important milestone in advancing strategic cooperation and strengthening people-to-people and business-to-business engagement between India and Mongolia. We deeply appreciate the proactive efforts and visionary leadership of Ambassador H.E. Mr. Ganbold Dambajav in fostering stronger bilateral ties. GTTCI remains committed to creating impactful global partnerships through trade and diplomacy.”

The event concluded with warm interactions, exchange of best wishes, and appreciation for Ambassador Ganbold Dambajav’s dedicated efforts in promoting stronger diplomatic and economic relations between the two friendly nations.

GTTCI Trade Chamber signed a significant Memorandum of Understanding (MoU) with H.E. Mr. Ganbold Dambajav, Ambassador of Mongolia, aimed at strengthening bilateral cooperation and promoting trade, technology, cultural exchange, and investment opportunities between India and Mongolia.

The occasion also marked a heartfelt farewell ceremony in honour of H.E. Mr. Ganbold Dambajav, recognizing his valuable contribution towards enhancing India–Mongolia relations during his diplomatic tenure. The signing ceremony was attended by Mr. Shubham Gupta, Director – GTTCI, who was present during the formal exchange

of the agreement and the diplomatic interaction.

GTTCI Signs MoU with Embassy of Kyrgyzstan to Strengthen Bilateral Cooperation

11th May 2026, Radisson Blu Marina Hotel, New Delhi

GTTCI Trade Chamber signed a significant Memorandum of Understanding (MoU) with H.E. Mr. Askar Beshimov, Ambassador of Kyrgyzstan, aimed at strengthening bilateral cooperation and promoting trade, technology, cultural exchange, and investment opportunities between India and Mongolia.

The agreement reflects the shared vision of both sides to enhance economic engagement and foster stronger institutional collaboration between the two friendly nations.

The signing ceremony was attended by Mr. Shubham Gupta, Director – GTTCI, who was present during the formal exchange of the agreement and the diplomatic interaction.

Speaking on the occasion, Dr. Gaurav Gupta, Founder President – GTTCI, stated, "This MoU represents a significant milestone in strengthening India-Kyrgyzstan relations and expanding cooperation across multiple sectors. GTTCI remains committed to creating meaningful global partnerships that encourage trade, innovation, and people-to-people engagement. We highly appreciate the support and vision of H.E. Mr. Askar Beshimov in fostering stronger bilateral collaboration between our two nations."

The event concluded with cordial discussions, exchange of best wishes, and a shared commitment towards building stronger diplomatic, economic, and cultural relations between India and Kyrgyzstan in the years ahead.

GTTCI Co-Hosts Viet Nam–India Digital Economy & Cross-Border E-Commerce Forum

18th May 2026, Marwah Studios Film City, Noida

The Global Trade & Technology Council (India) successfully co-hosted the “Viet Nam – India Digital Economy and Cross-Border E-Commerce Forum” on

18th May 2026 at Marwah Studios, Noida, in collaboration with the Trade Office – Embassy of Viet Nam in India, the Vietnam E-Commerce and Digital

Economy Agency (IDEA), and Marwah Studios. The forum brought together government officials, business leaders, technology experts, startups, logistics

providers, chambers of commerce, and industry stakeholders from both nations to strengthen bilateral cooperation in digital trade and cross-border e-commerce.

The forum highlighted the growing strategic partnership between India and Viet Nam and reaffirmed the shared commitment of both countries to achieving the bilateral trade target of USD 25 billion by 2030. Discussions focused on emerging opportunities in digital economy cooperation, innovation-led commerce, fintech solutions, logistics integration, AI-driven trade facilitation, startup collaboration, and SME internationalization.

The event commenced with opening remarks by Mr. Bui Trung Thuong, Trade Counsellor, Embassy of Viet Nam, who emphasized the transformative role of digital economy and e-commerce in global trade and the importance of strengthening technological and commercial cooperation between the two countries.

Representing GTTCI, Dr. Gaurav Gupta, Founder of GTTCI, delivered

the welcome remarks and highlighted the Council's commitment towards promoting international trade partnerships, innovation ecosystems, and business connectivity between India and global markets. He emphasized that platforms like this forum play a crucial role in enabling MSMEs, startups, and enterprises to explore new international opportunities through digital transformation.

The forum featured insightful presentations from distinguished speakers and industry leaders including representatives from the Vietnam E-Commerce and Digital Economy Agency (IDEA), Invest India, WASME, Entrepreneurs Association of India, logistics companies, startup founders, and business associations. Speakers discussed the rapid growth of the digital economy in both countries and explored practical pathways for accelerating cross-border e-commerce partnerships.

Interactive networking sessions and business discussions enabled participating enterprises to exchange

ideas and explore collaborations in areas such as:

- Cross-border e-commerce platforms
- Digital payment systems and fintech
- AI and digital transformation
- Logistics and supply chain solutions
- Startup and SME collaboration
- Media and digital branding

The forum witnessed active participation from e-commerce companies, technology firms, importers, exporters, trade bodies, financial institutions, and media representatives, creating a vibrant platform for business matchmaking and international networking.

GTTCI expressed its sincere appreciation to all partner organizations, speakers, delegates, participating companies, and support teams for contributing to the successful organization of the forum. The Council reaffirmed its commitment to further strengthening India-Viet Nam economic cooperation and promoting technology-driven trade partnerships in the evolving global digital economy landscape.

GLOBAL TRADE & TECHNOLOGY COUNCIL (INDIA)

CELEBRATED

INTERNATIONAL Tea Day

Sip Peace, Share Happiness on International Tea Day

EXPERIENCED THE FLAVOURS OF INTERNATIONAL TEAS

21st May 2026, The Kopa, New Delhi

The Global Trade & Technology Council (India) successfully hosted a vibrant celebration of International Tea Day at KOPA, Lajpat Nagar, New Delhi, bringing together ambassadors, diplomats, and distinguished guests from across the world to celebrate cultural exchange, friendship, and the global heritage of tea.

The event commenced with a warm welcome note by Dr. Gaurav Gupta, Founder President – GTTCI, who highlighted tea as a symbol of peace, dialogue, and international friendship. Dr. D.R. Kaarthikeyan also addressed the gathering and spoke about the importance of cultural diplomacy and global harmony through shared traditions.

Dr. D.R. Kaarthikeyan addressed the gathering and spoke about the importance of cultural diplomacy and global harmony through shared traditions.

The celebration was graced by the Ambassadors of Cuba and Kyrgyzstan,

while representatives and dignitaries from Czech Republic, Egypt, Iraq, Kenya, Mongolia, Philippines, Sri Lanka, Trinidad and Tobago, UN ESCAP, and Vietnam also participated in the event and shared their thoughts on the importance of tea in their respective cultures. The CDA of Nepal also attended the celebration and participated in the discussions on tea diplomacy and cultural cooperation.

A major highlight of the evening was the special international tea tasting experience featuring premium tea varieties from different countries. Guests enjoyed more than four varieties

of Indian tea, over seven varieties of Sri Lankan tea, four to five varieties of Nepali tea, along with specialty teas from Egypt, Iraq, and Vietnam. The specially curated Sri Lankan tea display received immense appreciation and admiration from all the distinguished attendees.

The event concluded with the felicitation of ambassadors and diplomats in recognition of their valuable contributions towards strengthening international friendship, cultural understanding, and global cooperation. GTTCI's International Tea Day celebration reflected its continued commitment towards promoting global engagement and meaningful diplomatic dialogue through culture and tradition.

South Africa–India Business Roundtable: Advancing Bilateral Economic Cooperation

Official visit of Deputy President of South Africa

30th May 2026, Addoni's, New Delhi

In a significant step toward strengthening economic and commercial relations between India and South Africa, the GTTCI Trade Chamber hosted the South Africa–India Business Roundtable on 30 May 2026 at Addonis, New Delhi. The high-level interaction was chaired by H.E. Mr. Paul Shipokosa Mashatile, Deputy President

of the Republic of South Africa, and brought together senior South African ministers, government officials, diplomats, and leading Indian industry

representatives to explore new avenues of cooperation across trade, investment, healthcare, infrastructure, technology, manufacturing, and innovation.

The distinguished South African

delegation included Hon. Ms. Stella Ndabeni, MP, Minister of Small Business Development; Hon. Dr. Aaron Motsoaledi, MP, Minister of Health; Hon. Mr. Mondi Gungubele, MP, Deputy Minister of Communications and Digital Technologies; Hon. Ms. Nomalungelo Gina, MP, Deputy Minister of Science, Technology and Innovation; Hon. Ms. Anna Thandi Moraka, MP, Deputy Minister of International Relations and Cooperation; and Mr. Yunus Hoosen, Deputy Director General of the Department of Trade, Industry and Competition, along with other senior officials. Their participation reflected South Africa's strong commitment to expanding economic engagement with India.

The roundtable witnessed active participation from leading Indian enterprises, including Centillion Solutions & Services, ACE Group, County Group, Lotus Green Constructions, Kadamba Nanom, Tinna Rubber & Infrastructure, Mahajan Imaging Centre, AIG Hospitals, DS Group, Competent Group, Gaursons Developers, Civitech Developers, Patanjali Group, SAM India Builtwell, The Edison Power Group, Venwouden, and several other reputed companies. The forum enabled direct dialogue between policymakers and business leaders on investment opportunities, industrial cooperation, healthcare partnerships, digital transformation, and sustainable development.

Welcoming the delegation, Dr. Gaurav Gupta, Founder President, GTTCI, highlighted the longstanding friendship between India and South Africa and emphasized that both nations possess complementary economic strengths, dynamic entrepreneurial

ecosystems, and expanding markets. He noted that enhanced collaboration in manufacturing, healthcare, renewable energy, infrastructure, technology, and MSME development can generate new business opportunities while reinforcing GTTCI's commitment to serving as a bridge between governments, industries, and investors.

The meeting was further enriched by the participation of GTTCI Board Members, including Mr. Shubham Gupta, Director, GTTCI; Mr. Ankur Khandelwal, Managing Director, Polyfibre World; Mr. Gopal Dass Khandelwal, Chairman, G. S. Buildtech Pvt. Ltd.; and Mr. Kapil Khandelwal, Director, Topline Print Media Pvt. Ltd. Their contributions added valuable industry perspectives on manufacturing, infrastructure, business expansion, and emerging market opportunities.

During the discussions, participants explored strategies to increase bilateral trade, promote joint ventures, strengthen supply chains, encourage technology transfer, and support entrepreneurship. Healthcare leaders examined opportunities in diagnostics, hospital management, medical technology, and pharmaceutical innovation, while infrastructure and real estate representatives discussed sustainable urban development and future investment prospects. The dialogue also highlighted the importance of empowering MSMEs, advancing research and innovation, and strengthening business-to-business connectivity.

Addressing the gathering, H.E. Mr. Paul Shipokosa Mashatile, Deputy President of the Republic of South Africa, highlighted vast opportunities to deepen India-South Africa cooperation

through trade, investment, innovation, MSME partnerships, and skills development. He emphasized that this enduring relationship is anchored in the Gandhi-Mandela legacy, reflecting shared values, historical solidarity, and a common commitment to inclusive growth, sustainable development, and lasting prosperity.

The event also received appreciation from H.E. Prof. Anil Sooklal, Ambassador of South Africa to India, who commended GTTCI for its exceptional hospitality, seamless organization, and meaningful engagement. He noted that the roundtable created a valuable platform to strengthen India-South Africa economic cooperation, foster MSME partnerships, and promote long-term bilateral trade and investment opportunities.

GTTCI Celebrates 20 Years of Diplomatic Excellence in Honour of Mr. Mahamoud Abdillahi Miguil

18th June 2026, GTTCI Secretariat, Areness House, New Delhi

The Global Trade & Technology Council (India) hosted a prestigious evening, "Celebration of 20 Years of Diplomatic Excellence", honouring the remarkable journey of diplomatic service, leadership, and international friendship.

The event was held in honour of Mr. Mahamoud Abdillahi Miguil, First Counsellor, Embassy of the Republic of Djibouti in India, commemorating two decades of his dedicated service and significant contribution towards strengthening diplomatic relations and fostering global cooperation.

The gathering brought together distinguished diplomats, international representatives, industry leaders, and global stakeholders to celebrate the power of diplomacy in building bridges between nations. Representatives from Comoros, Czech Republic, Egypt, Eritrea, and Rwanda, along with a representative from UNESCO, attended the celebration, reflecting the shared commitment towards international collaboration and multilateral engagement.

The event also witnessed the presence of members of the international community, including

expatriate representatives from Iran and Ethiopia, adding diverse perspectives and strengthening the spirit of global friendship.

Prominent industry and professional leaders including Mr. Dhiraj Dhar Gupta, Director – Joyson Safety Systems; Mr. Rajeev Jain, Ex-IIS; and Mr. Navratan Aggarwal, Director – Bikanervala, were

present at the occasion. The event was hosted by Mr. Sagar Aggarwal, Managing Partner, Areness Consulting Private Limited, who welcomed the distinguished guests and facilitated meaningful interactions among the attendees.

The evening highlighted the importance of diplomatic leadership,

cultural understanding, and international partnerships in creating pathways for economic and social development. The dignitaries acknowledged the vital role of diplomats in promoting dialogue, cooperation, and stronger relations among nations.

GTTCI reaffirmed its dedication to creating meaningful platforms that connect governments, businesses, and global communities. Through

such initiatives, GTTCI continues to support international dialogue, trade cooperation, and people-to-people relationships.

The celebration concluded with engaging interactions among diplomats, industry leaders, and guests, further reinforcing the bonds of friendship and cooperation between India and the global community.

Embassy of Nepal & GTTCI Celebrate International Day of Yoga 2026 with a Message of Wellness, Harmony and Global Unity

19th June 2026, Embassy of Nepal, New Delhi

The Embassy of Nepal, New Delhi, in collaboration with the Global Trade & Technology Council (India), celebrated the International Day of Yoga on 19th June 2026 at the Embassy of Nepal, New Delhi. The event brought together diplomats, industry leaders, wellness advocates, and distinguished guests

to highlight the importance of yoga, meditation, and holistic well-being.

The programme commenced with insightful keynote addresses by Dr. Gaurav Gupta, Founder President – GTTCI, and Dr. Surendra Thapa, Chargé d'Affaires (CdA), Embassy of Nepal, who emphasized the role of yoga as a universal practice promoting physical health, mental peace, and

global harmony. They highlighted the growing significance of yoga as a bridge between cultures and nations, fostering friendship and cooperation.

The celebration witnessed the gracious presence of diplomatic representatives, including the Chargé d'Affaires from Nicaragua and a Diplomat from Papua New Guinea, along with other distinguished guests and members of the international community.

A special yoga and wellness session was conducted by renowned yoga instructor Ms. Mansi Gulati, who guided participants through various yoga practices aimed at enhancing balance, flexibility, and mindfulness. The event also featured a calming meditation session led by Mr. Navratan Aggarwal, Director – Bikanervala, focusing on inner peace and mental well-being.

Adding to the spirit of the celebration, a Suryanamaskar session was performed by Ms. Poonam Pearl, showcasing the essence of this traditional yogic practice. A special musical performance by the Antrik Special Kids Band further enriched

the occasion, spreading a message of inclusivity, positivity, and inspiration.

The event was supported by Gopal's56 as the Hospitality Partner, contributing towards the warm and gracious arrangements for the celebration.

The celebration concluded with a shared commitment towards promoting wellness, cultural exchange, and stronger global connections through the timeless values of yoga. The event reflected the collective efforts of the Embassy of Nepal and GTTCI in encouraging a healthier and more harmonious world.

250+ Delegates from 20+ Countries Converge at GTTCI's 3rd MSME Connect to Strengthen Global Partnerships

World MSME Day, 29th June 2026, CSOI Auditorium, New Delhi

The Global Trade & Technology Council (India) (GTTCI) successfully organized the 3rd MSME Connect – Global Growth Forum 2026 at the CSOI Auditorium, Chanakyapuri, New Delhi, bringing together over 250 delegates from more than 20 countries to commemorate United Nations World MSME Day. The

forum served as a high-level platform for dialogue on strengthening international partnerships, empowering MSMEs, and enhancing global economic cooperation through diplomacy, innovation and sustainable development.

The event was graced by Shri Lumbaram Chaudhary, Hon'ble Member

of Parliament from Rajasthan, as the Guest of Honour, while the inaugural keynote address was delivered by H.E. Mr. Alem Tsehaye Woldemariam, Ambassador of Eritrea. The event commenced with welcome address by Dr. Gaurav Gupta, Founder President, GTTCI, where he highlighted GTTCI's

continued commitment towards connecting Indian MSMEs with global opportunities through economic diplomacy and strategic international partnerships.

The forum witnessed the distinguished presence of Ambassadors from Eritrea, Mauritania, Timor-Leste, Trinidad & Tobago, Comoros and Lesotho, along with diplomats and senior representatives from the Embassies of Belarus, Canada, Cuba, Djibouti, Egypt, Madagascar, Russia, Sri Lanka, Tajikistan and Vietnam, as well as UNESCO. The programme also welcomed participants from several other countries, including Nicaragua, Rwanda, Zambia and other international delegations, demonstrating the truly global character of the event.

The first panel discussion on "Strengthening Global Partnerships for Sustainable MSME Growth" was moderated by Dr. Waiel Awwad, Secretary General, IACCIA. The distinguished panel comprised Dr. Gaurav Gupta, H.E. Mr. Karlito Nunes, Ambassador of Timor-Leste, H.E. Mr.

Chandradath Singh, High Commissioner of Trinidad & Tobago, Ambassador Akhilesh Mishra, Former Officer on Special Duty (Development Partnership Administration), Government of India, Mr. Rakesh Kumar, Chairman, India Exposition Mart Ltd., Mr. Ram Kailash Gupta, Chairman,

Technia Institute, and Ms. Guadalupe, Deputy Ambassador of the Republic of Cuba. The deliberations focused on international cooperation, investment opportunities, public-private partnerships, sustainability and building resilient MSME ecosystems.

The MSME Excellence Awards 2026 were presented in recognition of outstanding contributions to entrepreneurship and innovation. The awards were presented to Dr. Urvashi Mittal, Founder, The Flask Club, and representatives of Fintech Cloud, with the Hon'ble Guest of Honour and Ambassadors also participating in the felicitation ceremony.

Ahmed Ismail, Head, Bureau of Cultural and Educational Relations, Embassy of Egypt. The discussion highlighted women's leadership, entrepreneurship, innovation, financial inclusion and the creation of an inclusive global business ecosystem.

The second panel discussion on "Women Entrepreneurs Shaping the Future of Global Business" featured Dr. Gaurav Gupta, Mr. Kapila J. Kumara, Minister Counsellor, High Commission of Sri Lanka, Dr. Benno Boer, Programme Specialist, Natural Sciences Unit,

UNESCO, Dr. Aruna Abhey Oswal, Chairperson, Abhey Oswal Group & Aruna Abhey Oswal Trust, Ms. Elena Komarova, CEO, JSC VTB Bank New Delhi Branch, Dr. Sandeep Marwah, Founder, Noida Film City, Dr. Pawan Kansal, Chairman, Shri & Sam, and Dr. Ayat Saad

Panel discussion on "Women Entrepreneurs Shaping the Future of Global Business"

The concluding panel discussion on "Geo-Economic Disruptions and the MSME Sector in India" was moderated by Ambassador Anil Trigunayat, President, MIICCA and Former Ambassador of India to Jordan, Libya and Malta. The panel brought together Dr. Gaurav Gupta, Mr. Metsing Ediel Lemphane, Chargé d'Affaires, High Commission of the Kingdom of Lesotho, H.E. Mr. K. L. Ganju, Honorary Consul General, Union of the Comoros, Mr. Evgeny Griva, Deputy Trade Commissioner, Embassy of the Russian Federation in India, Ms. Yen, First Secretary, Trade Office, Embassy of Vietnam, Mr. Kapil Malhotra, Trade Commissioner, Ontario, Canada, Dr. Harvansh Chawla, Chairman, BRISEC Chamber of Commerce & Industry, and Ambassador Amarendra Khatua, Former Secretary, Ministry of Commerce, Government of India and Advisor, GTTCI. The discussion focused on supply chain resilience, evolving global trade dynamics, export competitiveness and policy measures required to strengthen India's MSME sector in an increasingly complex geo-economic landscape.

The forum was further enriched by the presence of several distinguished dignitaries and industry leaders as Special Guests, including Ms. Elena Remizova, Head of Russian House, Shri Dhiraj Dhar Gupta, Director, Joyson Safety Systems, Mr. Anurag Garg, President, Rajasthan Club, Mr. Navratan Aggarwal, Director, Bikanervala, Mr. Rajeev Jain, IIS, and Mr. Anoop Verma, Editor, ETGovernment. Their presence added significant value to the deliberations and underscored the growing collaboration between industry, media, institutions and the diplomatic community in strengthening India's MSME ecosystem.

The programme concluded with a renewed commitment from GTTCI to deepen international engagement, strengthen economic diplomacy and create meaningful opportunities for

Indian MSMEs to expand into global markets. With participation from diplomatic missions, policymakers, industry leaders and entrepreneurs across continents, the 3rd MSME

Connect – Global Growth Forum 2026 reaffirmed GTTCI's role as a leading platform for fostering global trade, investment and sustainable economic cooperation.

GTTCI Trade Chamber Holds Strategic Meeting with BioCubaFarma Delegation to Advance India-Cuba Healthcare Cooperation

25th May 2026, Radisson Blu Marina Hotel, New Delhi

The meeting concluded with both sides agreeing to continue technical exchanges, develop collaborative proposals, and explore future delegation visits to Cuba, reaffirming GTTCI's commitment to fostering meaningful global partnerships in healthcare and innovation.

The GTTCI Trade Chamber hosted a high-level strategic meeting with a delegation from BioCubaFarma, Cuba's premier biotechnology and pharmaceutical organization, at the Radisson Blu Marina Hotel, New Delhi. The meeting focused on strengthening India-Cuba cooperation in healthcare, biotechnology, pharmaceuticals, preventive wellness, and advanced medical research.

The Cuban delegation was led by Dr. David Roger Curbelo and included Dr. Jorge Valdéz Hernandez, under the chairmanship of H.E. Mr. Juan Carlos Marsen Aguilera, Ambassador of the Republic of Cuba. The discussions explored opportunities in manufacturing, research, investment, technology transfer, and integrated healthcare systems.

Representing GTTCI were Dr. Gaurav Gupta, Founder President, and Mr. Shubham Gupta, Director, who participated in deliberations on international partnerships, healthcare innovation, business facilitation, and future collaboration models. Kadamba Nano Technology, represented by Dr. Deepa Prakash and Ms. Ilaa Hegde, also presented opportunities for integrating biotechnology with advanced green nanotechnology and holistic healthcare systems.

BioCubaFarma showcased its globally recognized capabilities in vaccine development, oncology, immunotherapy, preventive healthcare, biotechnology manufacturing, and international commercialization, noting that its products and technologies reach more than 41 countries.

GTTCI Celebrates International Tea Day with Diplomats and Global Tea Tasting Experience in New Delhi

राजनयिकों ने लिया वैश्विक टी टेस्टिंग अनुभव का आनंद

नई दिल्ली, 21 मई 2026: The Global Trade & Technology Council (GTTCI) successfully hosted a vibrant celebration of International Tea Day at KOPA, Lajpat Nagar, New Delhi, bringing together ambassadors, diplomats, and distinguished guests from across the world to celebrate cultural exchange, friendship, and the global heritage of tea. The event commenced with a warm welcome note by Dr. Gaurav Gupta, Founder President - GTTCI, who highlighted tea as a symbol of peace, dialogue, and international friendship. Dr. D.R. Kaarthikeyan also addressed the gathering and spoke about the importance of cultural diplomacy and global harmony through shared traditions. The celebration was graced by the Ambassadors of Cuba and Kyrgyzstan, while representatives and dignitaries from Cuba, Czech Republic, Egypt, Iraq, Kenya, Kyrgyzstan, Mongolia, Philippines, Sri Lanka, Trinidad and Tobago, UN ESCAP, and Vietnam also participated in the event and shared their thoughts on the importance of tea in their respective cultures. The CDA of Nepal also attended the celebration and participated in the discussions on tea diplomacy and cultural cooperation. A major highlight of the evening was the special international tea tasting experience featuring premium tea varieties from different countries. Guests enjoyed more than four varieties of Indian tea, over seven varieties of Sri Lanka tea, four to five varieties of Nepali tea, along with specialty tea from Egypt, Iraq, and Vietnam. The specially curated Sri Lanka tea display received immense appreciation and admiration from all the distinguished attendees. The event concluded with the felicitation of ambassadors and diplomats in recognition of their valuable contributions towards strengthening international friendship, cultural understanding, and global cooperation. GTTCI's International Tea Day celebration reflected its continued commitment towards promoting global engagement and meaningful diplomatic dialogue through culture and tradition.

नई दिल्ली में जीटीटीसीआई द्वारा अंतर्राष्ट्रीय चाय दिवस का भव्य आयोजन, राजनयिकों ने लिया वैश्विक टी टेस्टिंग अनुभव का आनंद

By Ovince / May 24, 2026

तांबा ट्रेड एंड टेक्नोलॉजी काउंसिल (हॉटिंग) - जीटीटीसीआई द्वारा कोपा, लाजपत नगर, नई दिल्ली में अंतर्राष्ट्रीय चाय दिवस का भव्य एवं सांस्कृतिक आयोजन किया गया। इस अवसर पर विभिन्न देशों के राजदूतों, राजनयिकों एवं विशिष्ट अतिथियों ने भाग लेकर चाय के माध्यम से वैश्विक मित्रता, सांस्कृतिक आदान-प्रदान एवं सद्भाव का संदेश दिया।

कार्यक्रम की शुरुआत जीटीटीसीआई के फाउंडर प्रेसिडेंट डॉ. गौरव गुप्ता के स्वागत संबोधन से हुई। उन्होंने चाय को शांति, संवाद और अंतर्राष्ट्रीय मित्रता का प्रतीक बताते हुए सांस्कृतिक कूटनीति के महत्व पर प्रकाश डाला। इस अवसर पर डॉ. डी.आर. कार्तिकेयन ने भी सभा को संबोधित किया और साझा परंपराओं के माध्यम से वैश्विक सौहार्द एवं सांस्कृतिक सहयोग को बढ़ावा देने की आवश्यकता पर अपने विचार व्यक्त किए।

जीटीटीसीआई की चेयरपर्सन डॉ. रश्मि सलुजा ने अंतर्राष्ट्रीय चाय दिवस पर विशेष संबोधन देते हुए चाय के सांस्कृतिक, आर्थिक एवं सामाजिक महत्व पर प्रकाश डाला। उन्होंने कहा कि चाय विश्व में लोगों और देशों को जोड़ने का एक महत्वपूर्ण माध्यम है।

GTTCI Marks 20 Years of Diplomatic Excellence in New Delhi, Celebrates Global Cooperation

News Waleet Bureau- New Delhi: The Global Trade & Technology Council of India (GTTCI) hosted a prestigious evening titled "Celebration of 20 Years of Diplomatic Excellence" at Areness House, Chanakya-pur, New Delhi, honouring two decades of diplomatic service, leadership, and international collaboration. The event was dedicated to Mahamoud Abdillahi Miguil, recognizing his contribution towards strengthening diplomatic relations and promoting global cooperation. The gathering brought together diplomats, international representatives, industry leaders, and global stakeholders, reflecting a shared commitment to multilateral engagement and cross-border collaboration. Representatives from countries including Comoros, Czech Republic, Djibouti, Egypt, Eritrea, and Rwanda, along with a representative from UNESCO, attended the celebration. Members of the international community, including expatriate representatives from Iran and Ethiopia, also participated, adding diverse perspectives to the evening's discussions. Prominent attendees included industry and professional leaders such as Dhiraj Dhar Gupta, Rajeev Jain, and Navratna Aggarwal. The event was hosted by Sagar Aggarwal, who facilitated interactions among guests. Speakers highlighted the importance of diplomatic leadership, cultural understanding, and international partnerships in fostering economic and social development. GTTCI reaffirmed its commitment to providing platforms that connect governments, businesses, and global communities to strengthen dialogue, trade cooperation, and people-to-people relations. The evening concluded with networking and interactions among diplomats and industry leaders, further reinforcing global friendship and cooperation.

GTTCI Celebrates Two Decades of Diplomatic Excellence, Strengthening Global Bonds in New Delhi. New Delhi, 18 June 2026: The Global Trade & Technology Council of India (GTTCI) hosted a prestigious evening, "Celebration of 20 Years of Diplomatic Excellence," at Areness House, Chanakya-pur, New Delhi, honouring the remarkable journey of diplomatic service, leadership, and international friendship. The event was held in honour of Mr. Mahamoud Abdillahi Miguil, First Counsellor, Embassy of the Republic of Djibouti in India, commemorating two decades of his dedicated service and significant contribution towards strengthening diplomatic relations and fostering global cooperation. The gathering brought together distinguished diplomats, international representatives, industry leaders, and global stakeholders to celebrate the power of diplomacy in building bridges between nations. Representatives from Comoros, Czech Republic, Djibouti, Egypt, Eritrea, and Rwanda, along with a representative from UNESCO, attended the celebration, reflecting the shared commitment towards international collaboration and multilateral engagement. The event also witnessed the presence of members of the international community, including expatriate representatives from Iran and Ethiopia, adding diverse perspectives and strengthening the spirit of global friendship. Prominent industry and professional leaders including Mr. Dhiraj Dhar Gupta, Director - Joyson Safe Systems; Mr. Rajeev Jain, Ex-IIS; and Mr. Navratna Aggarwal, Director - Bikanervala, were present at the occasion. The event was hosted by Mr. Sagar Aggarwal, Managing Partner, Areness Consulting Private Limited, who welcomed the distinguished guests and facilitated meaningful interactions among the attendees. The evening highlighted the importance of diplomatic leadership, cultural understanding, and international partnerships in creating pathways for economic and social development. The dignitary acknowledged the vital role of diplomats in promoting dialogue, cooperation, and stronger relations among nations. GTTCI reaffirmed its dedication to creating meaningful platforms that connect governments, businesses, and global communities. Through such initiatives, GTTCI continues to support international dialogue, trade cooperation, and people-to-people relationships. The celebration concluded with engaging interactions among diplomats, industry leaders, and guests further reinforcing the bonds of friendship and cooperation between India and the global community.

Embassy of Nepal & GTTCI Mark International Day of Yoga 2026 in New Delhi

-News Waleet Bureau-
New Delhi: The Embassy of Nepal in New Delhi, in collaboration with the Global Trade & Technology Council of India (GTTCI), celebrated the International Day of Yoga 2026 on 19 June at the Embassy premises, bringing together diplomats, industry leaders, wellness experts, and international guests to promote yoga, meditation, and holistic well-being.

The event began with keynote addresses by Dr. Gaurav Gupta and Dr. Surendra Thapa, who highlighted yoga as a universal practice that fosters physical health, mental peace, and global harmony. They emphasized its growing role in strengthening cultural understanding and international cooperation.

The celebration saw participation from diplomatic representatives including the Charge d'Affaires of Nicaragua and a diplomat from Papua New Guinea, along with members of the international community. A guided yoga session was conducted by Mani Gulati, focusing on balance, flexibility, and mindfulness. This was followed by a meditation session led by Navratan Aggarwal, centering on inner peace and mental well-being. A special Suryanamaskar demonstration was presented by Poonam Pearl, showcasing traditional yogic discipline and practice. The event also featured a musical performance by the Antrik Special Kids Band, adding an inclusive and inspirational dimension to the celebration.

Prime Minister of India Shri Narendra Modi undertook a significant three-nation visit to Indonesia, Australia and New Zealand from 6 to 11 July 2026, aimed at strengthening strategic partnerships, expanding economic cooperation and advancing India's vision for a peaceful, secure and prosperous Indo-Pacific region. The high-level diplomatic outreach focused on enhancing collaboration in trade, investment, defence, technology, innovation, healthcare, education, energy security and sustainable development.

The visit reflected India's growing engagement with key partners and reaffirmed its commitment to building trusted partnerships based on mutual respect, shared values and common objectives. Discussions during the tour highlighted India's role as a responsible global partner and its efforts towards promoting stability, resilience and inclusive growth in the region.

PM Narendra Modi Concludes Landmark Three-Nation Visit, Strengthening India's Strategic Partnerships and Global Engagement

Strengthening India-Indonesia Strategic Partnership

The first leg of Prime Minister Modi's visit was to Indonesia, where he held extensive discussions with President Mr. Prabowo Subianto. The leaders reviewed the progress of bilateral relations and explored new avenues of cooperation across defence, trade, investment, healthcare, energy, education and critical sectors.

India and Indonesia emphasized the importance of strengthening maritime

sustainable development and enhanced collaboration in emerging areas to address shared regional and global challenges.

India-Australia Partnership Gains Greater Momentum

The second leg of the visit took Prime Minister Modi to Australia for the Third India-Australia Annual Leaders' Summit with Australian Prime Minister Mr. Anthony Albanese. The summit further strengthened the Comprehensive Strategic Partnership between the two countries and reaffirmed their shared commitment towards peace, stability and prosperity in the Indo-Pacific.

The discussions focused on expanding cooperation in defence and security, critical minerals, renewable energy, technology, education, trade and investment. Both leaders emphasized the importance of strengthening economic resilience, developing reliable supply chains and encouraging greater participation from businesses and industries.

The growing India-Australia relationship continues to expand through cooperation in emerging technologies, innovation, research and people-to-people exchanges. Prime

Minister Modi also engaged with members of the Indian diaspora and business communities, recognizing their important role in strengthening bilateral relations.

Historic Engagement with New Zealand

The final leg of Prime Minister Modi's visit was New Zealand, marking the first official visit by an Indian Prime Minister to the country in four decades. During his visit, Prime Minister Modi held discussions with New Zealand Prime Minister Christopher Luxon, further elevating the relationship between the two nations.

India and New Zealand announced the elevation of their ties to a Strategic Partnership, opening new opportunities for cooperation in trade, investment, defence, maritime security, agriculture, education, technology and innovation.

The two leaders reaffirmed their shared commitment to a rules-based international order and a free, open and inclusive Indo-Pacific. Prime Minister Modi also highlighted the valuable contribution of the Indian diaspora in strengthening social, cultural and economic bonds between the two countries.

Advancing India's Global Agenda

The three-nation visit highlighted India's broader foreign policy priorities

cooperation, regional connectivity and economic partnerships. The discussions reflected the significance of India's Act East Policy and the MAHASAGAR (Mutual and Holistic Advancement for Security and Growth Across Regions) Vision, which promotes collective growth, security and cooperation among partner nations.

Both sides also highlighted the need for resilient supply chains,

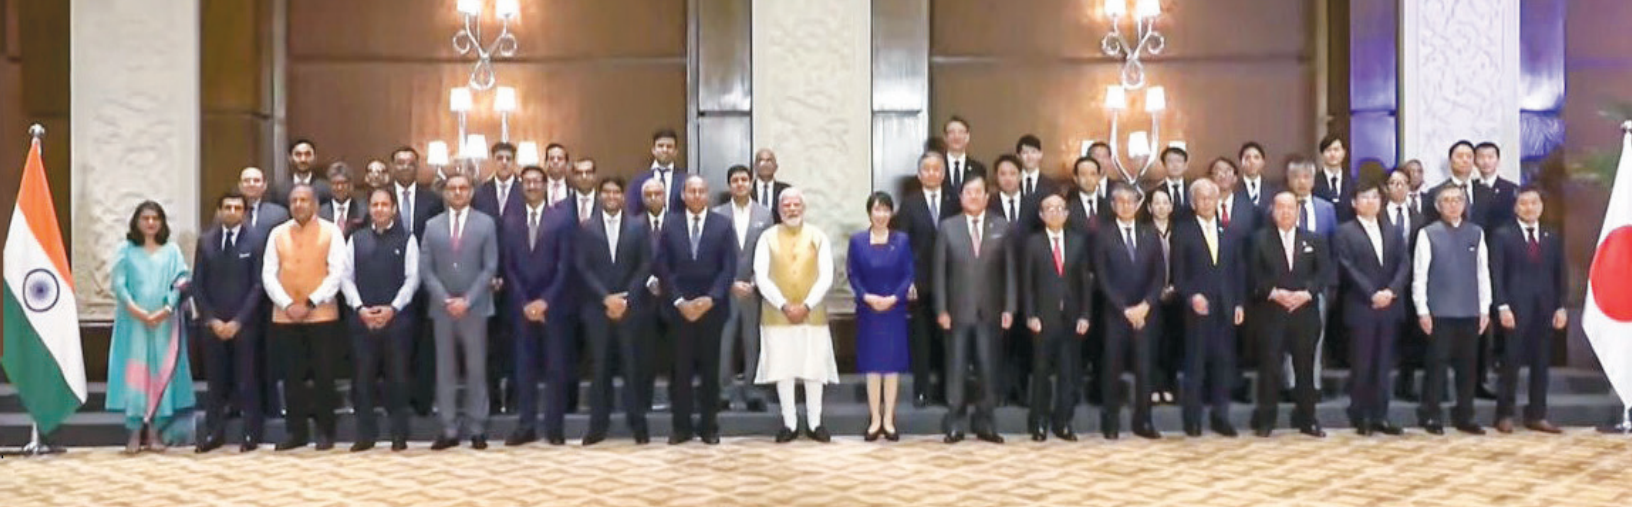

of strengthening strategic partnerships, promoting economic growth and contributing towards global peace and stability. The engagements placed emphasis on critical areas such as digital transformation, clean energy, climate action, technological innovation and supply chain resilience.

Through its partnerships across the Indo-Pacific, India continues to advance its vision of collaborative development and inclusive growth while strengthening its role as a leading voice of the Global South.

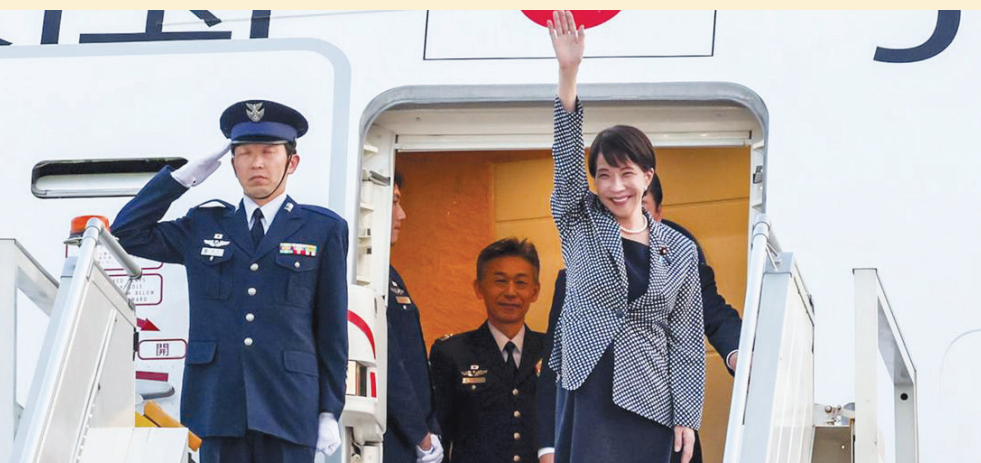

Building Partnerships for the Future

Prime Minister Modi's engagements in Indonesia, Australia and New Zealand marked an important step towards deeper cooperation with key regional partners. The visit reinforced India's commitment to building a connected, secure and prosperous Indo-Pacific through dialogue, collaboration and shared responsibility.

With enhanced strategic understanding and expanded opportunities for economic and technological cooperation, the three-nation visit has further strengthened India's global partnerships and its commitment to shaping a balanced and inclusive international order.

India and Japan Deepen Strategic Ties at the 16th Annual Summit

A Partnership Rooted in Trust and Shared Values

Welcoming Prime Minister Takaichi to India, Prime Minister Modi emphasized that the relationship between the two countries is built on mutual trust, democratic values, respect for the rule of law, and a shared vision for peace and prosperity. The leaders exchanged views on regional and global developments and agreed that closer coordination is essential in an increasingly complex geopolitical environment.

Prime Minister of Japan Ms. Sanae Takaichi paid an official visit to India from 1–3 July 2026 for the 16th India–Japan Annual Summit. The visit marked a significant milestone in bilateral relations and reaffirmed the commitment of both nations to further strengthen the India–Japan Special Strategic and Global Partnership. Prime Minister Narendra Modi and Prime Minister Takaichi held comprehensive discussions on trade, investment, technology, infrastructure, defence, energy, and regional cooperation, while reviewing the substantial progress achieved over the years.

MARUTI SUZUKI VEHICLE MANUFACTURING FACILITY
IMT KHARKHODA, HARYANA

INAUGURATED BY

SHRI NARENDRA MODI H.E. MS. SANAE TAKAICHI
PRIME MINISTER OF INDIA PRIME MINISTER OF JAPAN

2026

Both sides reiterated their strong support for a Free and Open Indo-Pacific and highlighted the importance of maritime security, connectivity, and adherence to international law. They also reaffirmed the role of like-minded partnerships, including the Quad, in promoting stability and cooperation across the region.

Boosting Trade, Investment, and Economic Security

Economic cooperation emerged as a central theme of the summit. India and Japan agreed to deepen collaboration in areas such as semiconductors, critical minerals, advanced manufacturing, digital technologies, artificial intelligence, and innovation. Recognizing the need for resilient and trusted supply chains, the two countries committed themselves to working together to build reliable production networks and strengthen economic security.

The leaders also decided to continue efforts toward reviewing and enhancing the Comprehensive Economic Partnership Agreement (CEPA) in order to expand trade, facilitate investment, and create greater opportunities for businesses in both nations. Japanese investment has been instrumental in India's industrial development, and both governments expressed confidence that future cooperation would generate new avenues for growth, entrepreneurship, and employment.

Infrastructure Cooperation and the Bullet Train Project

Infrastructure remains one of the flagship pillars of India-Japan cooperation. During the summit, Japan reaffirmed its support for the Mumbai-Ahmedabad High-Speed Rail Project, India's first bullet train corridor. The project continues to symbolize the depth of technological, financial, and strategic collaboration between the two countries.

The two prime ministers also virtually participated in the inauguration

of Maruti Suzuki's fourth manufacturing facility at Kharkhoda, Haryana. The event highlighted the enduring contribution of Japanese industry to India's manufacturing ecosystem and underscored the role of bilateral cooperation in promoting industrial growth, innovation, and job creation.

Clean Energy and Emerging Technologies

As both countries pursue sustainable development, the summit placed considerable emphasis on cooperation in green hydrogen, renewable energy, energy efficiency, and clean technologies. The leaders welcomed initiatives aimed at accelerating the energy transition and encouraged stronger partnerships among governments, industries, and research institutions.

India and Japan also agreed to enhance collaboration in artificial intelligence, digital transformation, research and development, and skill development. By combining Japan's technological expertise with India's innovation-driven economy and skilled workforce, both nations aim to create globally competitive industries capable of addressing future challenges.

Strengthening Defence and Security Cooperation

Defence and security cooperation featured prominently in the discussions. The leaders agreed to deepen collaboration in maritime security, cybersecurity, defence technology, and

strategic coordination. They emphasized the importance of maintaining peace, stability, and security in the Indo-Pacific and expressed their determination to work together in addressing common security challenges.

The growing convergence between India and Japan on regional and global issues has transformed their relationship into one of the most significant strategic partnerships in Asia. The summit demonstrated that both countries increasingly view each other as indispensable partners in promoting a stable and rules-based regional order.

A Forward-Looking Relationship

Prime Minister Sanae Takaichi's visit concluded with a strong message of confidence and continuity. The outcomes of the 16th India-Japan Annual Summit reflected the expanding scope of cooperation between the two nations across infrastructure, technology, trade, energy, defence, and people-to-people exchanges.

As India advances toward its vision of Viksit Bharat 2047 and Japan seeks dependable partners for innovation, economic resilience, and regional stability, the partnership is poised to become even more consequential in the years ahead. The visit reaffirmed that India and Japan are trusted friends and strategic partners committed to working together for the prosperity of their peoples and for peace, stability, and sustainable development across the Indo-Pacific and beyond.

India–Seychelles Partnership Strengthens Through Strategic Cooperation and Shared Vision

Reciprocal State Visits Highlight Maritime Security, Development and Trade, Global Collaboration

India and Seychelles have further deepened their longstanding friendship through reciprocal high-level engagements in 2026, reflecting the growing strategic importance of their partnership in the Indian Ocean Region. Prime Minister of India Shri Narendra Modi's State Visit to Seychelles from 27–29 June 2026, following Seychelles President Mr. Patrick Herminie's official visit to India in February 2026, reinforced cooperation across maritime security, trade, development partnership, climate action and people-to-people relations.

Prime Minister Modi visited Seychelles as the Guest of Honour at the Golden Jubilee celebrations of Seychelles' National Day, commemorating 50 years of the island nation's independence. The visit highlighted India's commitment to supporting Seychelles as a close maritime neighbour and trusted partner. During his engagements, Prime Minister Modi reaffirmed India's vision of a secure, stable and prosperous Indian Ocean Region while emphasising the importance of strengthening bilateral cooperation.

The visit followed the successful State Visit of President Patrick Herminie

to India in February 2026, which further expanded the scope of bilateral engagement. Both countries reaffirmed their commitment to a comprehensive partnership based on mutual trust, shared values and common interests, while identifying new opportunities for cooperation in strategic and developmental areas.

Strengthening Maritime Security and Blue Economy Cooperation

Maritime cooperation remains one of the key pillars of India–Seychelles relations. As two nations connected by the Indian Ocean, both countries share common interests in ensuring maritime safety, security and sustainable use of ocean resources. India has supported Seychelles in enhancing maritime capabilities through capacity building,

training, infrastructure support and greater coordination in maritime domain awareness.

The partnership reflects India's SAGAR (Security and Growth for All in the Region) vision, which promotes collective security, regional stability and sustainable development in the Indian Ocean. Both nations are also working towards expanding cooperation in the Blue Economy, focusing on marine resource management, fisheries, renewable energy and climate-resilient development.

Expanding Trade, Investment and Development Partnership

India and Seychelles continue to explore new avenues for economic cooperation, including trade, investment, tourism, healthcare, digital technology,

disaster resilience, ocean conservation and sustainable development. Their partnership demonstrates how nations of different sizes can work together on global challenges through cooperation, trust and shared responsibility.

A New Chapter in India-Seychelles Relations

The reciprocal state visits of Prime Minister Narendra Modi and President Patrick Herminie have provided renewed

momentum to India-Seychelles relations. The engagements have strengthened cooperation in strategic sectors while opening new possibilities for trade, investment and technological collaboration.

Built on decades of friendship and mutual respect, the India-Seychelles partnership continues to serve as a model of trusted cooperation in the Indian Ocean Region. With a shared commitment to peace, prosperity and sustainable growth, both nations are poised to further expand their collaboration and address emerging global priorities together.

infrastructure and renewable energy. The leadership-level discussions during the two state visits highlighted the importance of strengthening business connections and encouraging greater participation of Indian enterprises in Seychelles' growth journey.

India's development partnership with Seychelles has been an important aspect of bilateral relations, with

cooperation extending to healthcare, education, skill development, digital initiatives and infrastructure projects. Through grants, concessional assistance and capacity-building programmes, India has supported Seychelles in achieving sustainable and inclusive development.

The two countries have also emphasised enhancing economic linkages and creating opportunities for businesses, investors and institutions to collaborate

for mutual benefit.

Collaboration on Global Priorities

India and Seychelles share common perspectives on several global challenges, particularly climate change, sustainable development and the concerns of Small Island Developing States (SIDS). Seychelles' vulnerability to climate change has made environmental sustainability and climate resilience important areas of cooperation between the two nations.

Both countries continue to support initiatives related to renewable energy,

EXPLORE OPPORTUNITIES IN VIETNAM INTERNATIONAL EXHIBITIONS

THIRD QUARTER (Q3) 2026

★ CONNECT • COLLABORATE • GROW – WITH VIETNAM & THE WORLD ★

1 VIETNAM INTERNATIONAL LOGISTICS EXHIBITION 2026 (VILOG 2026)

30 July – 1 August 2026
SECC, Ho Chi Minh City

VILOG 2026 showcases the latest developments in freight transportation and forwarding, warehousing, material handling equipment, cold chain logistics, logistics IT solutions, automation technologies, and supply chain support services.

<https://www.vilog.vn/>

2 VIETNAM SMART WAREHOUSING EXHIBITION 2026

30 July – 1 August 2026
SECC, Ho Chi Minh City

The exhibition features smart warehouse solutions, warehouse automation, industrial robotics, material handling equipment, packaging solutions, e-commerce logistics, fulfillment centers, and warehouse management systems.

<https://vietwarehouse.vn/>

3 VIETNAM INTERNATIONAL COLD CHAIN EXHIBITION 2026

30 July – 1 August 2026
SECC, Ho Chi Minh City

The exhibition focuses on industrial refrigeration technologies, cold transportation, cold storage systems, food and pharmaceutical preservation equipment, as well as packaging and labeling solutions for the cold chain industry.

<https://coldchainexpo.vn/>

4 VIETNAM INTERNATIONAL MEDICAL, PHARMACEUTICAL, HOSPITAL & HEALTHCARE EXHIBITION 2026 (MEDI-PHARM EXPO)

30 July – 1 August 2026
SECC, Ho Chi Minh City

The exhibition presents pharmaceuticals, medical devices, hospital technologies, diagnostic equipment, medical supplies, healthcare products, and related services.

<https://www.medipharmexpo.com/>

5 VIETNAM INTERNATIONAL SMART OFFICE SOLUTIONS, OFFICE EQUIPMENT & STATIONERY EXHIBITION 2026 (VIETOFFICE)

30 July – 1 August 2026
SECC, Ho Chi Minh City

The event showcases modern office solutions, office equipment, stationery, digital technologies, and innovative applications for smart workplaces.

<https://www.vietofficeexpo.com.vn/>

6 FOOD & BEVERAGE EXHIBITION VIETNAM 2026 (FOODEXPO VIETNAM 2026)

6–8 August 2026
SECC, Ho Chi Minh City

One of Vietnam's leading food and beverage trade exhibitions, featuring processed foods, beverages, food ingredients, processing technologies, packaging, and food preservation solutions.

<https://www.foodexvietnam.com/>

7 VIETNAM INTERNATIONAL SPORTS & OUTDOOR RECREATION EXHIBITION 2026 (VIETNAM SPORT SHOW)

13–15 August 2026
SECC, Ho Chi Minh City

The exhibition highlights sports equipment, fitness products, health and wellness solutions, sports facilities, outdoor recreation products, entertainment services, and sports fashion.

<https://www.sportshow.com.vn/>

8 VIETNAM INTERNATIONAL BICYCLE EXHIBITION 2026 (VIETNAM CYCLE)

13–15 August 2026
SECC, Ho Chi Minh City

Vietnam Cycle features bicycles, e-bikes, electric drive systems, bicycle components, accessories, cycling apparel, and sustainable mobility solutions.

<https://www.vietnamcycle.vn/>

9 VIETFISH 2026 – VIETNAM INTERNATIONAL FISHERIES EXHIBITION

19–21 August 2026
SECC, District 7, Ho Chi Minh City

Vietfish is Asia's largest specialized fisheries exhibition, bringing together seafood producers, exporters, importers, processors, aquaculture companies, and suppliers of seafood processing technologies and equipment.

<https://vietfish.com.vn/>

10 VIETNAM INTERNATIONAL SOURCING 2026

3–5 September 2026
Ho Chi Minh City
(venue to be confirmed by the organizer)

Vietnam International Sourcing is Vietnam's flagship international sourcing and supply chain event, connecting global buyers, retail groups, sourcing organizations, manufacturers, and exporters from around the world through business matching, exhibitions, and trade promotion activities.

India–Nicaragua Relations: A Partnership Poised for Growth

A Historic Milestone in Bilateral Ties

India–Nicaragua relations entered a new phase in 2025 with the first-ever ministerial visit from India's Ministry of External Affairs to Nicaragua. In March, Minister of State for External Affairs Pabitra Margherita met Minister Advisor to the President Laureano Ortega Murillo and Foreign Minister Valdrack Jaentschke to advance cooperation in trade, investment,

renewable energy, and development.

The visit reflected the shared commitment of both countries to strengthen bilateral engagement and explore new avenues for cooperation across multiple sectors.

Trade and Investment: Expanding Economic Opportunities

India's exports to Nicaragua reached approximately US\$155 million in 2024, with pharmaceuticals, engineering goods, chemicals, and machinery among the key exports. Both countries are working to

expand cooperation in infrastructure, renewable energy, healthcare,

agriculture, technology, and capacity building.

Nicaragua also presents promising opportunities for Indian businesses in its globally recognised coffee and rum industries. The country produces high-quality Arabica coffee and internationally acclaimed premium rum, creating potential for Indian importers,

distributors, hospitality businesses, and joint ventures in food processing and beverage markets. These sectors complement India's growing consumer demand for premium agricultural and beverage products. Opportunities also exist in agricultural machinery, irrigation technologies, and food processing, where Indian expertise can support Nicaragua's agro-based economy.

The March 2025 visit formed part of India's broader engagement with

Latin America, while Nicaragua seeks to diversify its international partnerships and attract greater Indian investment.

Development Partnership

India has extended five Lines of Credit worth nearly US\$95 million to support Nicaragua's energy and healthcare sectors. These projects include power substations, transmission lines, the reconstruction of Aldo Chavarria Hospital, and the modernization of

medical facilities at the Antonio Lenin Fonseca Hospital.

In September 2025, India's Ambassador to Nicaragua, Sumit Seth, and Nicaragua's Minister of Energy Salvador Mansell inaugurated an electric substation and 138 kV transmission lines at La Esperanza, financed through an Indian Line of Credit. The project is expected to improve electricity access for more than 30,000 people.

Quick Impact Projects and Humanitarian Cooperation

In December 2024, both countries signed an agreement on Quick Impact Projects (QIPs), under which India will provide US\$1.25 million in grant assistance over five years to support community-based development initiatives.

India has also strengthened humanitarian cooperation through the India for Humanity initiative, under which a Jaipur Foot Camp is providing 500 artificial limbs free of cost to beneficiaries in Nicaragua. In addition,

India has donated medicines worth nearly US\$2 million over the years.

Pharmaceutical Cooperation

A major milestone was achieved in February 2024 with the signing of a Memorandum of Understanding on Pharmacopoeia Cooperation. Nicaragua became the first Spanish-speaking country to officially recognise the Indian Pharmacopoeia, improving access to affordable medicines while creating new

opportunities for Indian pharmaceutical exports.

Building on this partnership, an Indian Ayurvedic pharmaceutical company has successfully registered and commercialised its first product in Nicaragua, introducing India's traditional healthcare systems to a new market.

Looking Ahead

Recent high-level engagements have injected fresh momentum into India-Nicaragua relations. With complementary economic strengths and a shared focus on sustainable development, both countries are well positioned to deepen cooperation in pharmaceuticals, renewable energy, healthcare, infrastructure, agriculture, coffee, premium beverages, and technology. As bilateral engagement continues to grow, the partnership offers promising opportunities for trade, investment, innovation, and long-term economic collaboration.

GLOBAL INSIGHTS: *India Perspective*

1. **India Strengthens Global Supply Chain Leadership** – Multinational companies continue expanding manufacturing operations in India as part of supply chain diversification.
2. **Semiconductor Mission Enters a New Growth Phase** – New investments are accelerating India's ambition to become a global semiconductor manufacturing hub.
3. **PLI Scheme Continues to Attract Global Manufacturers** – Production Linked Incentive schemes are driving investments across electronics, pharmaceuticals, and automobiles.
4. **India's Defence Manufacturing Push Gains Momentum** – Indigenous production is reducing import dependence while creating export opportunities.
5. **Railway Modernisation Reaches New Milestones** – High-speed connectivity, station redevelopment, and freight corridors continue transforming logistics.
6. **Green Hydrogen Emerges as India's Energy Frontier** – Public and private investments are positioning India as a future exporter of green hydrogen.
7. **India's Space Economy Expands Rapidly** – Private companies are increasingly participating in satellite launches and commercial space services.
8. **Electric Mobility Adoption Continues to Rise** – EV production and charging infrastructure continue expanding across the country.
9. **Smart Cities Continue Digital Transformation** – Urban infrastructure projects are integrating AI, IoT, and smart governance.
10. **India's Logistics Sector Becomes More Competitive** – Infrastructure upgrades are reducing logistics costs and improving efficiency.
11. **Renewable Energy Capacity Continues to Grow** – Solar and wind installations remain key contributors to India's clean energy targets.
12. **Digital India Continues to Transform Public Services** – Government services are becoming increasingly accessible through digital platforms.
13. **Indian Manufacturing Records Strong Growth** – Factory expansion is supporting employment and exports.
14. **MSMEs Drive India's Industrial Expansion** – Small businesses continue contributing significantly to exports and innovation.
15. **AgriTech Innovation Reshapes Indian Agriculture** – Technology is improving productivity, irrigation, and farm management.
16. **India's Startup Ecosystem Remains Among the World's Largest** – Innovation continues across fintech, healthcare, defence, and deep tech.
17. **India Expands Strategic Partnerships Across Asia and Europe** – Economic diplomacy continues strengthening bilateral trade relations.
18. **Industrial Corridors Fuel Regional Development** – Dedicated industrial zones continue attracting investment.
19. **India's Aviation Sector Sees Continued Expansion** – Airport infrastructure and passenger traffic continue to increase.
20. **Tourism Sector Experiences Strong Recovery** – Domestic and international tourism continue supporting economic growth.
21. **India Advances Circular Economy Initiatives** – Recycling, waste management, and sustainable manufacturing gain greater attention.
22. **Digital Payments Continue Setting Global Benchmarks** – UPI remains a leading example of financial innovation.
23. **Healthcare Infrastructure Continues to Expand** – Investments in hospitals, diagnostics, and medical manufacturing continue.
24. **India Becomes an Increasingly Attractive Investment Destination** – Stable growth continues attracting foreign direct investment.
25. **Textile Industry Focuses on Value-Added Manufacturing** – The sector is moving toward technical textiles and global exports.
26. **Ports Modernisation Strengthens Maritime Trade** – Capacity expansion improves India's global trade competitiveness.
27. **Food Processing Industry Gains Fresh Investments** – Value-added agriculture continues generating export opportunities.
28. **India's Education Sector Embraces Digital Learning** – Technology continues reshaping higher education and skill development.
29. **Climate Resilience Moves to the Policy Forefront** – Sustainable infrastructure projects continue receiving greater investment.
30. **India Positions Itself as a Global Innovation Hub** – Government and industry continue collaborating to build a knowledge-driven economy.

GLOBAL INSIGHTS: *Finance*

1. **India's IPO Market Continues Strong Momentum** – Investor confidence remains high across primary markets.
2. **Domestic Investors Drive Market Stability** – Retail participation continues strengthening Indian equity markets.
3. **Mutual Fund Industry Crosses New Milestones** – Assets under management continue reaching record levels.
4. **Banking Sector Maintains Healthy Credit Growth** – Lending activity remains robust across retail and corporate segments.
5. **RBI Balances Growth and Inflation** – Monetary policy continues supporting macroeconomic stability.
6. **Digital Banking Continues Rapid Expansion** – Financial institutions are accelerating digital transformation.
7. **Fintech Innovation Reshapes Financial Services** – Technology is improving accessibility and efficiency.
8. **Corporate Earnings Season Influences Market Sentiment** – Investors closely monitor quarterly financial performance.
9. **India's Bond Market Gains Global Attention** – Government securities continue attracting institutional investors.
10. **GST Collections Reflect Economic Strength** – Healthy tax revenues indicate resilient domestic demand.
11. **Insurance Sector Continues Expanding Coverage** – Digital platforms are improving policy accessibility.
12. **Wealth Management Industry Experiences Strong Growth** – Rising disposable income is increasing investment participation.
13. **Sustainable Finance Becomes Mainstream** – ESG investing continues gaining momentum.
14. **Alternative Investment Funds Continue Expanding** – Institutional investors diversify across new asset classes.
15. **NBFC Sector Strengthens Lending Ecosystem** – Non-bank financial companies continue supporting credit access.
16. **Rupee Remains Resilient Amid Global Volatility** – Currency markets navigate changing international conditions.
17. **Gold Continues as a Strategic Investment Asset** – Investors maintain interest amid global uncertainty.
18. **Venture Capital Investment Focuses on Deep Tech** – Funding shifts toward innovation-driven startups.
19. **India's Capital Markets Deepen Further** – Market participation continues expanding across investor categories.
20. **Financial Inclusion Continues Through Digital Platforms** – Banking services become increasingly accessible.
21. **AI Begins Transforming Banking Operations** – Automation improves customer experience and operational efficiency.
22. **UPI Continues Setting Global Payment Standards** – Digital transactions remain among the world's fastest-growing.
23. **Credit Card Spending Continues to Rise** – Consumer confidence supports higher spending levels.
24. **Corporate Bond Issuance Gains Pace** – Companies increasingly access capital markets for funding.
25. **Infrastructure Financing Receives Fresh Attention** – Public and private investment continues supporting major projects.
26. **Private Equity Activity Remains Strong** – Investors continue backing high-growth businesses.
27. **Retail Investing Continues Expanding Beyond Metro Cities** – Financial literacy drives broader market participation.
28. **Banking Sector Embraces Cybersecurity Investments** – Digital resilience becomes a strategic priority.
29. **Green Finance Supports Energy Transition** – Sustainable infrastructure projects attract financing.
30. **India's Financial Ecosystem Continues Global Integration** – Capital markets strengthen international connectivity.

GLOBAL INSIGHTS: *Tech & Innovation*

1. **Enterprise AI Moves from Pilot to Production** – Businesses are deploying AI across core operations.
2. **India's AI Ecosystem Continues Rapid Growth** – Startups and enterprises expand AI applications.
3. **Semiconductor Manufacturing Gains Strategic Importance** – Domestic chip production strengthens technological independence.
4. **Cloud Computing Investments Continue Rising** – Enterprises accelerate cloud adoption.
5. **Cybersecurity Becomes a Boardroom Priority** – Organizations increase investments against evolving digital threats.
6. **AI-Powered Customer Service Transforms Businesses** – Intelligent automation enhances customer experience.
7. **India's SpaceTech Sector Continues Expanding** – Private participation fuels commercial space innovation.
8. **Robotics Adoption Accelerates Across Manufacturing** – Automation improves industrial productivity.
9. **Digital Twins Revolutionise Industrial Operations** – Virtual modelling enhances efficiency and maintenance.
10. **Edge Computing Supports Smart Manufacturing** – Real-time processing improves industrial performance.
11. **Quantum Computing Research Advances** – India expands investments in next-generation computing.
12. **5G Applications Continue Growing** – Industries explore new use cases beyond connectivity.
13. **Biotechnology Innovation Accelerates Healthcare** – Genomics and precision medicine gain momentum.
14. **Green Technology Drives Sustainable Manufacturing** – Clean technologies become central to industrial strategy.
15. **Electric Vehicle Technology Evolves Rapidly** – Battery innovation improves affordability and performance.
16. **Battery Manufacturing Becomes a Strategic Industry** – Domestic production supports energy security.
17. **AI Transforms Drug Discovery** – Machine learning accelerates pharmaceutical research.
18. **AgriTech Innovation Modernises Farming** – Smart technologies improve agricultural productivity.
19. **Digital Health Solutions Expand Nationwide** – Telemedicine and health-tech platforms continue growing.
20. **Smart Factories Define Industry 4.0** – Connected manufacturing improves operational efficiency.
21. **Blockchain Finds New Enterprise Applications** – Businesses explore secure digital transaction systems.
22. **Drones Expand Commercial Applications** – Logistics, agriculture, and infrastructure inspections drive adoption.
23. **Autonomous Systems Gain Industrial Acceptance** – Automation reshapes manufacturing and logistics.
24. **Data Centres Continue Large-Scale Expansion** – Growing digital demand fuels infrastructure investments.
25. **IoT Powers the Next Generation of Smart Infrastructure** – Connected devices improve urban management.
26. **Deep Tech Startups Attract Global Investment** – Innovation-led ventures continue receiving funding.
27. **Digital Engineering Services Become Export Strengths** – Indian technology firms expand advanced engineering capabilities.
28. **AI Chips Drive the Next Computing Revolution** – Specialized processors support advanced machine learning.
29. **CleanTech Innovation Supports Net-Zero Goals** – Technology accelerates decarbonisation efforts.
30. **Innovation Becomes India's Competitive Advantage** – Collaboration between academia, startups, and industry strengthens the country's global technology leadership.
